August 1, 2022

The POWERex Asia 2022 and Electric Asia 2022 are the only power, power generation and power transmission equipment, and technologies and supplies exhibitions in Southeast Asia that bring together an international group of power and electric related companies and also its supporting industries. Gathered in Bangkok to showcase the latest developments in the power industry, this is one show you will want to attend.

As a major supplier to the power industry worldwide, Twin City Fan-Azen will be participating in the POWERex Asia 2022 show from November 2 - 4, 2022 in the BITEC Convention Center in Bangkok, Thailand. Twin City Fan-Azen's wide range of the fans include small bathroom ventilation fans to one of the largest power generation fans for the power industry by its Clarage division.

We sincerely invite all of our friends, customers, suppliers and partners to meet us in Thailand at POWERex Asia 2022.
